into the curriculum

SOCIAL EMOTIONAL CURRICULUM

Unit 1 Diversity & Inclusion

This unit promotes a community environment in the classroom as children learn to recognize and appreciate one another's similarities and differences.

Unit 2 Empathy & Critical Thinking

Children develop empathy (the ability to identify with and understand another person's emotions), reduce stereotyped thinking, and learn critical thinking skills.

Unit 3 Communication

Healthy and unhealthy communication patterns are explored, and children practice effective ways of engaging with others.

Unit 4 Problem Solving

Children learn constructive approaches to resolving conflict, focusing on conflict-resolution steps that facilitate healthy relationship patterns.

Unit 5 Peer Relationships

Children practice positive social skills and learn the qualities that are important to friendship, the consequences of bullying, and how to provide peers with support.

CURRICULUM IN ACTION!

TECHNOLOGY

Laptops - All classrooms will have sets of laptops or tablets.

Panels - All classrooms have a Clear touch Panel installed, which is a large interactive white board.

Technology integration through all subjects.

Coding classes will be offered as enrichment
